

The NC Turnpike Authority awarded the Design-Build contract for the Western Wake Expressway (TIP No. R-2635) to the Raleigh-Durham Roadbuilders (RDR) team in 3rd quarter of 2008. SEPI Engineering & Construction is proud to be a part of this illustrious Design-Build Team.

SEPI's role on the team include responsibilities in the area on signing and environmental permitting support as partnered with LPA Group, Inc. Additionally, SEPI's inspection division is partnered with Volkert & Associates, Inc. to provide construction engineering inspection. SEPI Engineering & Construction anticipates adding 15 to 20 staff members over the next calendar year in support of this effort.

The Western Wake Freeway is a toll 12 mile road from NC 55 in the Research Triangle Park to NC 55 Bypass in Apex, North Carolina. For more detailed project information please visit the NC Turnpike Authorities website at:
